

SCHOOL COVERAGE

Modern Foreign languages is taught from year 3-6 and the language we focus on is French. The MFL curriculum is plotted on a two-year cycle (Cycle A and Cycle B) with each mixed age cohort covering the key aspects of their Key Stage (Year 3/4 and Year 5/6). We use Language Angels to deliver our curriculum as this supports staff with planning and sequencing lessons and resources including videos to support correct pronunciation.

The following grid shows the coverage of French units across Year 3-6 at our school. Each unit has been carefully and progressively planned to build upon pupils' French knowledge and skills. Within each unit, pupils will learn knowledge about different aspects of French, and these will build progressively on from previous units. In Year 3 and 4, children move from Early Language Units to Intermediate Language units across the year. In Year 5 and 6, children move from Intermediate Language Units to Progressive Language Units across the year. In all cycles, children will spend some time looking at pronunciation and phonetics, with children revisiting these units throughout the year.

The following grid shows the coverage of MFL units across Year 3-6 at our school. Each unit has been carefully and progressively planned to build upon pupils' knowledge. Within each unit, pupils will cover phonics, reading, writing, speaking and listening skills.

	Block 1 (week 1 – 12)		Block 2 (week 12 – 24)		Block 3 (week 24 – 36)	
	1-6 weeks	7-12 weeks	12-17 weeks	18-24 weeks	24-29 weeks	30-36 weeks
