**Aiming High**

# We have had a busy half term...

- Drama Visitors
- Consett tree festival
- Christmas Parties
- Santa Run
- Top 25 Pantomime
- Nativities
- Christmas Dinner
- Carols around the tree

# Attendance

We have our new Attendance display in school. We will update weekly with class attendance AND put the name of our duck race winner on!

## Attendance Matters!

If you are unsure when to keep your child absent from school. Please read the following article:

'Is my child too ill for school? - NHS'

We are here to work with you regarding attendance. Please let us know if you have any worries or concerns and we will support you.

## Aiming High

# Autumn Term 1 in EYFS

**We learn through play in Early Years and we love it!**

It's been a half  
term of firsts!  
Our first PE lesson

Our first forest Fridays  
And investigating our  
allotment!

Sorting and  
subitizing in  
maths!  
Hands on  
learning!  
Ordering  
objects by size.

Getting messy making our own  
play dough and gingerbread  
men biscuits!

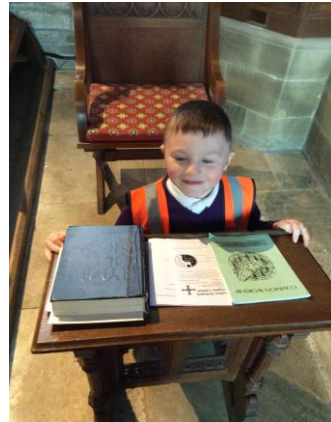

It's been a  
great start and  
we can't wait  
for more next  
half term!

**Aiming High**

# Autumn Term 1 in Year 1 and 2

We have had a fantastic first half term in Year 1 and 2!

Our topic in RE this half term was Christianity. We visited Castleside Church and met Vicar Martin who showed us around. We spotted features such as the pulpit, the lectern and the altar.

In ART, we have been creating pieces of Nature Art based on the artist Andy Goldsworthy.

In Science we have been learning about Seasonal Changes. We can name and explain the differences between our seasons. We have also looked at weather patterns from around the world. We have learned that the closer to the equator, the hotter the countries will be.

**Aiming High**

# Autumn Term 1 in Year 3 and 4

We have explored how our bodies work in Science discovering different types of skeletons and the scientific names for our bones.

Our topic in RE this term was Hinduism. We shared our new knowledge about Hinduism with the rest of school.

**Aiming High**

# Autumn Term 1 in Year 5 and 6

Some of the children had a fabulous time at Ullswater in the Lake District. They showed great resilience and faced their fears.

In Science, we have been looking at local wildlife and studying plants in their local habitats .

From everyone at Moorside Primary Academy. Tag us in what you are up to using  
#Moorsideproud.

Remember we return on Monday 4<sup>th</sup> November 2024
